Manuel Salaz and family returned from the farm near Chilili Thursday evening. They report the corn as over waist high and growing like wild. Oats and millet are doing fine. They are sure of a great crop this year.

Herschel Vesterspuches, the Fire Eater, left on last night's train for the south. He claims that he will return on business in two weeks and give an exhibition here on the night of the 29th. If he does, he may look for a large crowd, as he is about the smoothest guy who ever struck town.

The past week our citizens have been sleeping in their yards in tents, down stairs on the floor, hammocks, under trees, any old place where a cool breeze could be found. The upstairs of most residents were like bake ovens. (Journal) Avoca, Iowa.

And in the Estancia Valley, we've been using covers every night, all summer long. Come to the valley where its a pleasure to live.

## "I Am Glad"

writes Mrs. Ethel Newlin, of Liberty Center, Ind., "that I began to take Cardui, for it has cured me, and I will never forget it. "I cannot praise Cardui too highly for what it did for me. Before I began to take it, I was very bad color, suffered great pain and weighed only 105 pounds. Now I have a good color, do not suffer and weigh 125 lbs."

### The Woman's Tonic

Beware of strong, noxious, mineral drugs, that sink into your system, like lead to the bottom of a basin of water.

Cardui is purely vegetable and contains no poisonous minerals, or dangerous drugs.

It is perfectly safe and harmless, for use by old and young, and may be taken, as a tonic, for months, without any possible harmful effect. Try it.

## This is the Crop Year

Are all your fields earning you your share of this year's profits? With so splendid prospects it will not pay you to let an acre lie idle. Even a good hay or forage crop will be good money.

Get your seeds now before the supply is out and while there is time for the crop to make. A small quantity of Scotch Barley, San Luis Valley Peas, Alfalfa, Broom Corn Oats and Little Amber Cane. You'll make no mistake in putting five to ten acres in little amber. For hay it is superior to Siberian millet. It is the best of canes for this season.
